William Kruck "Rising Star" Senior (12th) Scholarship
Application

Introduction: William Kruck was a long-time teacher, coach, and administrator at Michigan Lutheran High School. Upon his passing, a scholarship in his name was funded by friends and family of Michigan Lutheran High School to honor his commitment to the mission of ML. Bill believed firmly that all students can learn and be a blessing to the mission of MLHS. This scholarship will be given to mirror the goals of an award that he championed, the Rising-Star Award. In it, the Administrative Council looks for a student who may have started slowly at ML, but has grown in maturity and passion for their Christian Education.

- **Four-Year Student** – The student started at MLHS as a freshman and has continued through their senior year.
- **Documented Improvement and Involvement since 9th Grade** – The student can show that they have grown both academically and in their involvement in extracurricular activities at MLHS.
- **Demonstrated Financial Need** - The family has submitted proper documentation promptly for financial assistance.

Parents and students should complete this application and return it to MLHS by May 20.
